QUARTERLY & ANNUAL REPORTING

Our continuing disclosure increases transparency for charter school bond investors, allowing them to better determine the value of their charter school bond investment. We produce investor-ready, quarterly & annual continuing disclosure reports that are the most informative in the bond market, according to institutional investors.

BENEFITS

SOCIAL IMPACT REPORTING

SIP is the first to combine rigorous research-based, practice-informed measurement of social impact developed by the charter school industry's leading experts. Our social impact metrics are aligned with U.N. Sustainable Development Goals (UNSDG) and the International Capital Markets Association's (ICMA) social bond principles.

CHARTER SCHOOL INVESTOR

Advertise on the top charter industry news platform, and reach 7,000 readers including school leaders, bond investors, foundations, analysts, traders, lenders, and investment bankers. On a bi-weekly basis, SIP sends out the latest financial, legislative and legal developments related to charter school investment, expansion and performance.
